REMARKS

- 25X1 1. A tank brigade of about 600 troops with about 30 tanks was in the cantonment on the southern perimeter of STERNBERK (P 50/N 86), south of the sanatorium, up to 9 September 1949.
2. About 450 infantry troops were quartered in the barracks on the northern town border, near the monastery.
3. Besides the mentioned military quarters and an Air Force Barracks in the town center, no other military installations were known.

☐ Comment:

a. The tank brigade is probably the 12th Tank Brig which was reported in June and July 1949 (the last time without its numerical designation).

b. The infantry unit is presumably the 54th SMG Bn of the 12th Tank Brig which was last identified in OLOMOUC in October 1948.
